

## **Mayor McGee, EDIC and the State Delegation would like to announce the Baker-Polito Administration Economic Recovery Plan and Small Business Grants**

Through the Massachusetts Growth Capital Corporation (MGCC), they are administering \$50.8 million in grant awards to businesses experiencing economic hardship and a loss of income due to the COVID-19 pandemic. The grants will range between \$25,000 to \$75,000. Preference is given to small businesses that are minority and/or women owned, veterans, members of other underrepresented groups, or focused on serving the Gateway Cities of Massachusetts. Preference is also given to applicants that have not been able to receive aid from other federal programs, including PPP and other relief related to COVID-19.

**Timeline:** Application will be open for 3 weeks starting 10/22/20 and close on 11/12/20.

**Applicant Eligibility:** Each program encompasses its own eligibility criteria. Applicants must review the information of each program to determine eligibility.
